

I hope everyone is having a good summer. The children are doing pretty well as a combined class. In June we have went to Sam Davey to play a few times and over to St. Olaf. Water day was fun for the kids.

For July we will be talking about the themes: Fishers of men, space, and zoo.

Most of the children have been doing well, but just wanted to remind parents that the kids need to wear sandals with a strap on the back or tennis shoes. NO Flip-flops, Thanks

Just a reminder that we are closed on July 5.
Have a Happy 4th of July.
