

Grasshopper News

Teacher: Ms. Shannan

Date: March 2010

What is Happening? March brings shamrocks, leprechauns, Dr. Seuss and Lambs and Lions. March is a month when the earth is renewed. A very pleasant interlude. A new beginning burst all over. Everything turns green as clover. This month the new letters are: S-T-U and the color is Green and the shape is square.

On Wed the 17th we will be having a little party. There will be a sign up sheet on the door for some items that we will be needing to make a leprechaun snack. Please feel free to sign up. Also we will be needing some more baby wipe for those messy moments that arise. March wind replaced by a gentle breeze, flowers bloom and so do the trees. March is like a great invention, but springtime sports get my attention. Have a great St. Patrick's Day!!

Themes for March:

March 1-5 Dr. Seuss

March 8-12 Easter

March 15-19 St. Patrick's

March 22-26 Spring

March 29-April 2 Fairy Tales

Special Days:

March 2 Dr. Seuss Birthday

March 12th Pajama Day

March 17th St. Patrick's Party

March 24 Backwards Day

Reminders: Every Tuesday is book day. Please bring a book from home to share with friends at story time.

Please check you child's folder each night for important papers for the office and art work.
