Dear Parents,

So far the summer with the school agers has been a blast! We were able to do a lot of fun field trips and plan to continue to keep the children engaged in all the fun activities summer can offer!

The month of June flew by for the children and teachers at Camp Rachel. Going to the circus, library and the Fairfax pool was a hit! The kids had a blast and are looking forward to all the exciting activities happening in July.

This month we have planned more fun filled water days, trips to the library, the Fairfax pool and the Farmers Market. We are also planning on touring Dairy Queen and the Hahn's Meat Market. The children are also excited to see the upcoming play Hansel and Gretel! It should be a busy and fun month.

Since Camp Rachel has started the school agers have been learning a lot about responsibility. While the garden has been a lot of fun it has also been a lot of work. Everyone will be excited to see how much their hard work has paid off when the plants produce vegetables! It will be worth all the effort then.

The school age teachers also want to say thank you to the parents for being so willing and cooperative with all the excitement happening at Camp Rachel!
