

Dear Parents,

Happy March to you all. First and foremost I would like to thank you all for the fantastic Valentines Day candy and gift, I really appreciate it and so did my belly. (I love candy!) Thank you to all of our friends for bringing valentines to share with each other. The Valentines Day party was fun and sugar filled.

The IGLOO has been officially completed, torn apart and put back together again. We have been working on it since November of 2009 and happy to finally have it complete.. Please check out pictures posted on the entering hallway of the activity center.

This month we will be focusing on St. Patrick's Day and the celebration of Easter. We will be playing lots of new games and of course creating amazing crafts. We will also be listening to a lot of Irish Folk music, and learning the Irish Jig. Because Easter is Sunday April 4th we will be celebrating it in the month of March .

Dates to Remember

3/2 Dr. Seuss Birthday

3/12 P.J. Day

3/17 St. Patrick's Day/ Green Day

3/29-4/2 Spring Break (Center Closed April 2nd)

(Is your school ager attending?)
